## IMPORTANT

**PLAYER REGISTRATIONS ARE NOW DUE**  
**U19s \$300, Reserves/Seniors \$385, Player sponsored \$600**

### TOMMY'S TALES

Thank you.

A big thanks to all the people involved in various ways to the innovation and upgrading of our social room.

The contribution brings back memories of its original construction. The old social room at Arch Brown Reserve got burnt down, so the seniors moved down to Recreation Park later renamed Edwin Flack Reserve which at this stage was very basic. A club stalwart donated the loan of a portable class room for social room use, he also paid the council the thirty-year land lease for the new social room that the club had in plan.

A loyal supporter did all the rock breaking and earth moving to create the road and flatten the hill for the room, today this would cost \$150,000 or more, it was a donation. The Council presented half the insurance money from the burnt room, to this club. This money was spent to erect the steel frame of our planned building. In the meantime, the portable class room was returned and the club gained the use of the Upper Beacy Hotel Room which they had used while the bushfire destroyed hotel was being rebuilt.

Money problems caused the frame to stand still for 4 years until the committee called on players and supporters for help, and it was granted. The players agreed to play the entire season free of charge.

So many players, supporters and sponsors contributed in so many areas to this wonderful club house erection; Concreters, Bricklayers, Plumbers, Electricians, Carpenters, Labourers, Plasterers, Painters the list goes on. A local hardware which no longer exists donated or only charged trade price. A very good organizer decided the room should be named in his honour, he had his sign made and fitted on an outside wall, it disappeared a couple of days later.

The list of involvement and contribution was so great that it was moved in the old constitution that the room would never be named other than Berwick Football Club.

Names have not been mentioned in this article;

1. We may run out of paper if we did so.
2. We would hate to miss a deserving name.

Thanks for the room upgrading this is well recorded also. Past and Present, thank you, thank you, thank you.

Tommy
