# Who we are

## Established

- Berwick Football Club was established in 1883.
- The club is colloquially known as the 'Wickers' which maintains the club's link to the township of Berwick. In the 1980s this did change to the Gippslanders for a period as Berwick entered the old VFA competition to represent the entire Gippsland region.

# Partnering Together

Berwick Football Club (BFC) is a community-based football club which plays in the Eastern Football Netball League (EFNL). We have Senior men, Reserves men and U19's teams all in Premier Division and our Womens team in Div 3 and a further men's Reserves and U19's in Div 4.

We are reaching out to potential sponsors who share our passion for supporting local young people with a talent and passion to play AFL and are willing to help us in fostering a sense of unity and good values in the local community.

By sponsoring BFC, you could align your brand with a club that not only excels on the field but also actively engages with supporters, families, other sporting organisations and businesses in the area. Our commitment to community involvement sets us apart from other clubs, and your sponsorship would contribute directly to our efforts in this area.

As a sponsor, you would gain the opportunity for significant visibility through our various marketing channels, including ground signage, matchday banners, player jerseys, and social media campaigns. Moreover, your sponsorship would extend beyond football. BFC is deeply committed to development programs, encouraging physical activity, teamwork, leadership and personal growth among our young players. By supporting our club, you would be investing in the future of our local community to make it a better place to live, thrive and be safe.

Join us at BFC and become an integral part of our journey. With your sponsorship, we can continue to inspire, entertain, and connect people through the love of the game. Let's make a lasting impact together, both on and off the field.

## What we stand for

Berwick Football Club is committed to fostering a strong, unified team of talented athletes who strive for excellence both on and off the field. Our mission is to promote the values of sportsmanship, teamwork, and dedication, while providing a supportive environment for our players to develop their skills and achieve their full potential.

We are dedicated to creating a positive impact in our community by encouraging active participation and inspiring young athletes to embrace the joy of sports. Seen as a benchmark for community-based football clubs with strong family values and culture. We recruit good people before we recruit good footballers!

### **Strong emphasis on the mental health of our members**

We have 170 players aged 17 and above and take the opportunity to educate these people:

- Respect For Women
- Road Safety - TAC, Drugs and Alcohol
- Mental Health Awareness
- Community Leadership

Through our unwavering commitment to integrity, inclusivity, and continuous improvement, we aim to establish Berwick Football Club as a respected and successful force within the AFL sport.
